CRIP POCKET

Got a crip in my pocket
Thinks she's got it made
505, ADA, IDEA, many more
Crip in my pocket
Says the sky's gonna fall
Crip in my pocket
Keepin' 'em working at the advocacy ball
They'll never figure out it's just a big stall
Crip in my pocket
Long as they got a docket
We'll keep those dissatisfied
Crips in our pocket.
